

# Save \$\$\$ and Time Buying the Goods and Services You Need to Run Your Business.

Stop dreaming about a fast, trusted and low-cost way to manage operational buying. It's finally here – Premikati Marketplace.

Running on SAP Ariba Buying and Invoicing, the trusted leader in procurement products, Premikati Marketplace is your one-stop solution for capturing and containing transactional expenses while uncovering hidden savings opportunities with the negotiating power of the entire SAP Ariba Network.

## Everything You Need to Run Your Business is a Few Clicks Away

Premikati Marketplace makes it easy to find and buy non-sourced goods from a B2B marketplace that balances user convenience with procurement controls. Log in and you'll find a visible, measurable and manageable purchasing platform that's as familiar as online shopping.

## Search Millions of Items in Minutes

- ▶ Office Supplies
- ▶ Electrical & Test Equipment
- ▶ Technology & Accessories
- ▶ Facilities & Maintenance
- ▶ MRO & Industrial
- ▶ Lab and Medical Supplies

**And more!**

**With SAP Ariba vetted, qualified vendors and millions of items in one place, this affordable, monthly subscription-based procurement solution is the quickest way for your company to:**

### Control Spending

Ensure that your spend is controlled by requiring a manager's approval prior to money going out the door.

### Find New Sources of Savings

Access a high-quality, trusted list of suppliers to save you time and money.

### Build a Healthy Supply Chain

Streamline the entire buying process and simplify vendor management.

Per-User Monthly Pricing As Low as \$5 – Start Buying Within 24 Hours

# Control Spend and Save \$\$\$ in this unprecedented time of managing a remote workforce.

You may be struggling with quickly getting your employees the things they need to do their jobs remotely. Take advantage of the significant savings that SAP Ariba has negotiated with the suppliers on the Premikati Marketplace while being able to ship items straight to your employees' home offices. All while still controlling and tracking the spend. **Start making purchases within hours of signing up!**

**Instead of adding a new supplier for every one-off purchase, go to Premikati Marketplace for:**

- ▶ Full Spend Controls
- ▶ Order Automation
- ▶ Spend Visibility
- ▶ Scheduled Spend Reporting
- ▶ Card Settlement
- ▶ Built-In Approval Rules
- ▶ No Technical Implementation
- ▶ No IT Systems Admin Needed
- ▶ 24-Hour Go Live
- ▶ Low Monthly Fee
- ▶ Free Help Desk Support
- ▶ Ability to Cancel Anytime
