PREMIKATI Marketplace, powered by SAP Ariba™

For too long, enterprise-level software was out of the reach of educational institutions.

PREMIKATI and SAP have partnered to bring you the SAP Ariba Buying and Invoicing platform where you will gain access to national vendors to purchase your goods and services, from one portal, with built-in spend controls at an affordable monthly subscription.

With PREMIKATI Marketplace you receive access to enterprise-level software to:

Manage and consolidate spend across all of your users

Mitigate risk with built-in approval rules

Get visibility into spend with automated reports

$50/user per month
