

FINANCIAL OVERSIGHT. INSURING INVESTMENTS.

Your due diligence secures your investment;
now, secure its **success**.

It's time to gain crystal-clear insight into your investment's performance, **financially and operationally** – because making the investment is only the first step in securing profitability.

FINANCIAL AND OPERATIONAL SUCCESS FOR YOUR INVESTMENTS

powered by SAP Ariba™

Gain visibility into your investment's operational spend and the ability to set approval rules for purchases, small or large.

Ensure success by not only funding the business, but providing a **proven procurement operations platform**, allowing them to concentrate on their core activities.

Reduce investment risk by setting a standard for financial diligence on Day 1. It's like **insurance for your investment**.

By bundling the SAP Ariba™ procurement platform with your investment companies, they gain **access to over 10 million vendors** with pre-negotiated savings, reducing costs and maximizing your investment.
